The image shows a screenshot of the MAS mobile app's login screen. At the top, there's a dark blue header with the time '4:26', a search icon, and the word 'Login'. Below the header is a large 'MAS' logo. A white modal box titled 'Add new user' is overlaid on the screen. It contains four input fields: 'Profile name (Optional)' with a person icon, 'URL' with a link icon, 'Username' with a person icon, and 'Password' with a key icon and a toggle for visibility. Below the fields are three radio buttons, a blue 'Next' button, and a 'Cancel' link.
